

KNIME101: The Power of Flow Variables

Marcell Palfi & Bertold Balázs

May 14th, 2025

Today's Speaker

Marcell Palfi

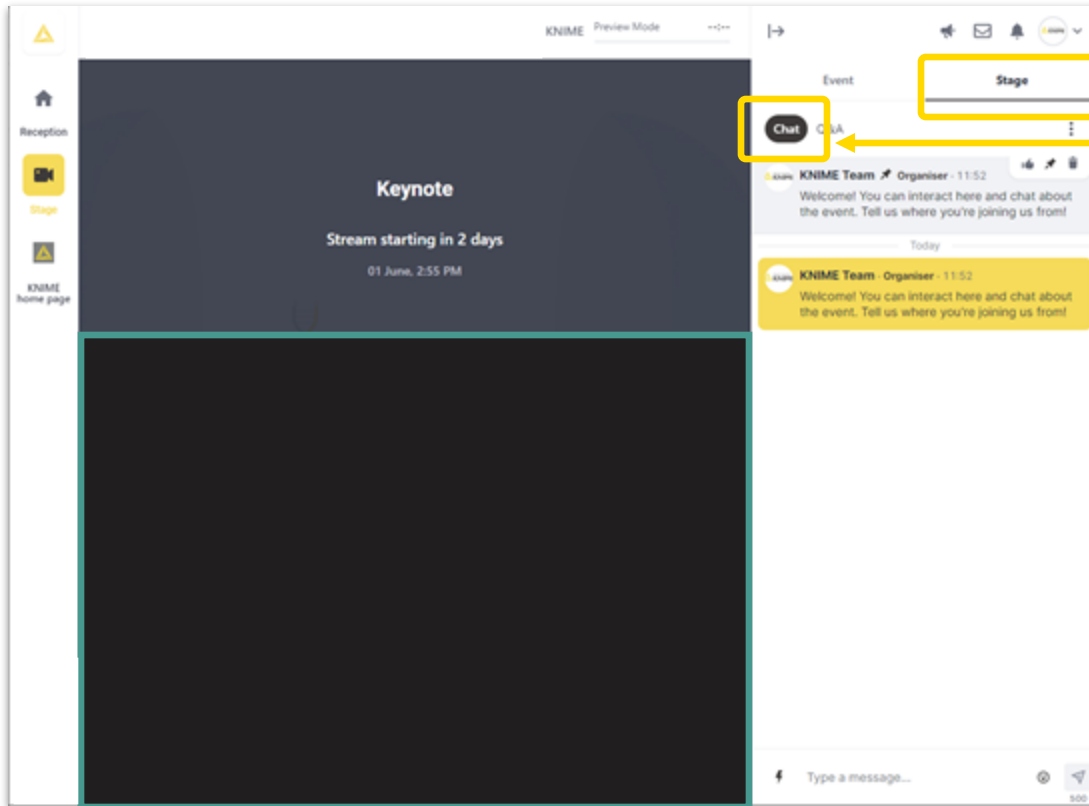

IT Business Analyst / Software Engineer @MIKRUM

Bertold Balázs

Managing Consultant @IFUA

Welcome! Use the live CHAT

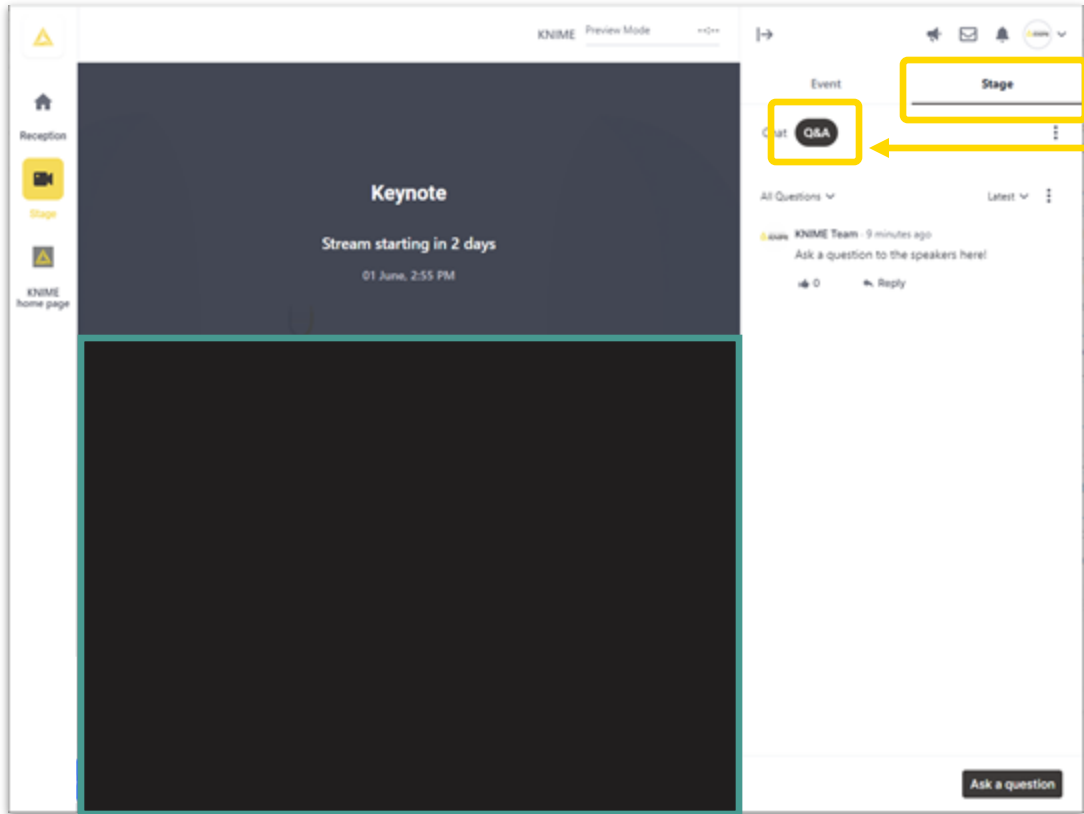

Here you can interact with others about the event!

Post where you are joining us from in the chat!

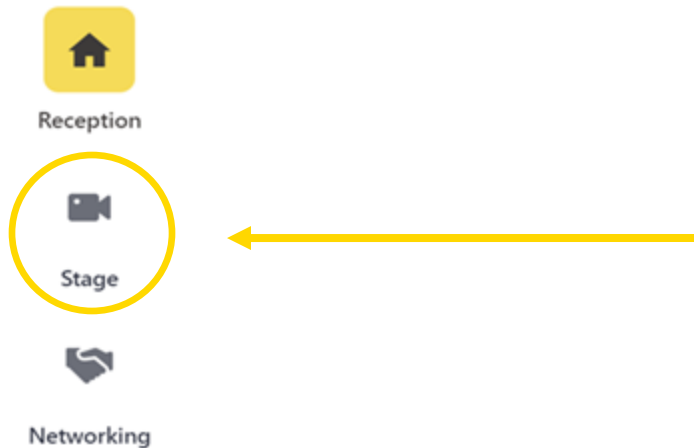

Questions? Use the Q&A Tab

Here you can ask questions to the KNIME team and speakers!

Your question will be answered Live or during "Questions to the Speaker" session.

Streaming Problems? Got Lost?

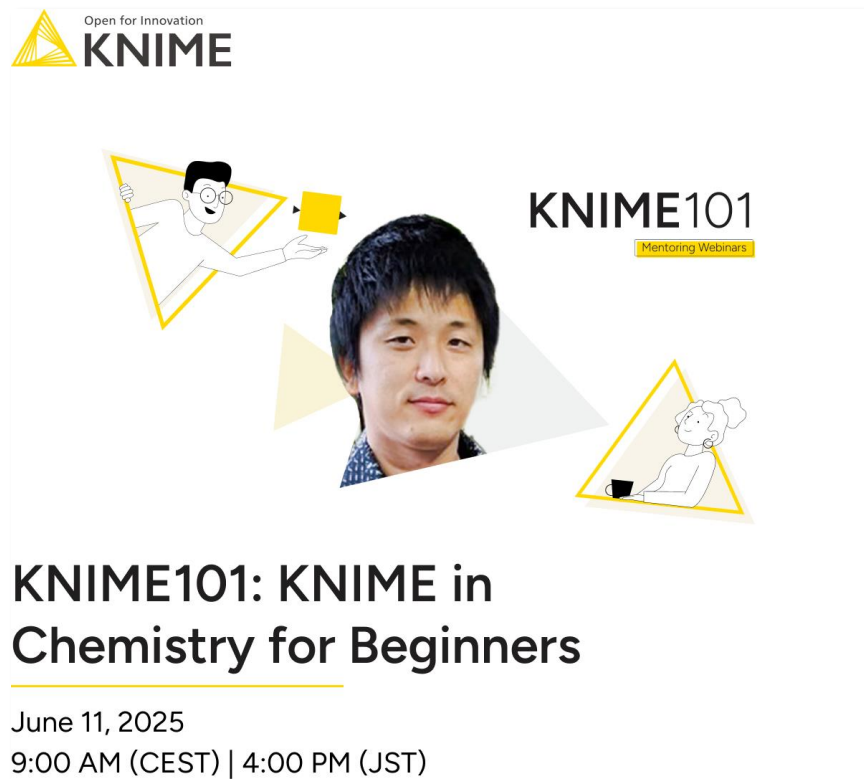

- Use Chrome or Firefox web browser for the best experience
- Try refreshing your browser
- Use a cabled internet connection if you have poor WiFi
- Try private browser mode
- Click on **'Stage'** to go back to the stream

The top right corner of the slide features several overlapping, thin white lines that form abstract, geometric shapes, possibly representing a stylized logo or a decorative element. These lines are set against the solid yellow background.

**KNIME101: KNIME in
Chemistry for Beginners**

June 11, 2025
9:00 AM (CEST) | 4:00 PM (JST)

The banner features a central photograph of a man with dark hair. To his left is a cartoon illustration of a man with glasses and a white shirt, holding a yellow square. To his right is a cartoon illustration of a woman with blonde hair, sitting at a desk with a laptop. The background is white with yellow and grey geometric shapes.

"Just KNIME It!" - Season 4

- *Just KNIME It!* - Season 4 starts today!

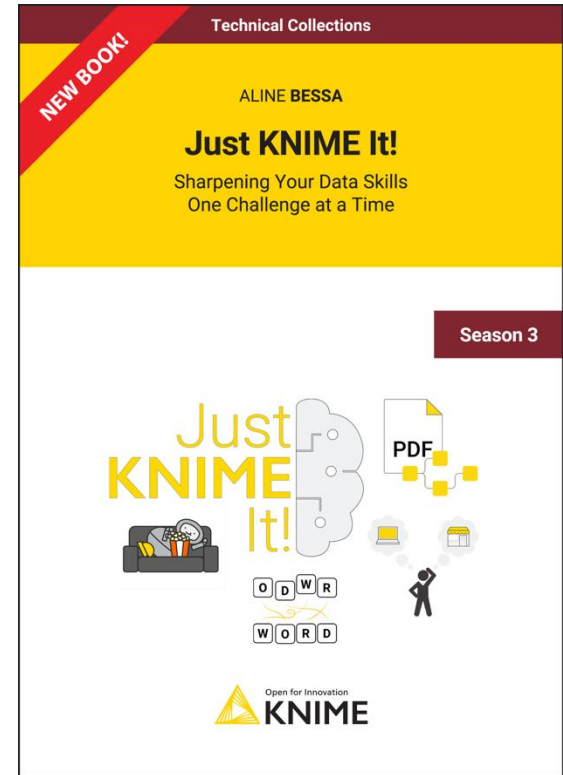

The banner features the text "Just KNIME It!" on the left, with "Just" in a large, thin font, "KNIME" in a bold, black font, and "It!" in a smaller, thin font. To the right of the text is a stylized black brain icon with white dots and lines. On the right side of the banner, the text "Just KNIME It! Season 4" is displayed in a bold, black font. Below this, the text "Starting May 14" is circled in yellow. Further down, a paragraph of text describes the challenges: "Each week, we post data science challenges about real-world problems and invite you to solve them. Challenges come in three difficulties (easy, medium, and hard). Many solutions are possible! We encourage you to get innovative and share your ideas on the [KNIME forum](#)." At the bottom right of the banner is a black button with the text "Learn more" in white.

- Visit www.knime.com/just-knime-it and solve the first challenge today!

"Just KNIME It!" - Season 3 Booklet

- *Just KNIME It!* - Season 3 booklet available now!
 - A collection of challenges from our *Just KNIME It!* season 3, separated by required skills and difficulty
 - Topics include data visualization, image processing, machine learning, and more
- Visit www.knime.com/knimepress to download this and other **free** KNIME books
